## Dangerous Goods Safety Adviser

### Consultancy Service

We provide a proactive DGSA service with multiple qualified Dangerous Goods Safety Advisers on staff, ensuring that we are there to help our clients at any time.

We act as Dangerous Goods Safety Advisers for a number of organizations and can provide the experience, knowledge and customer service to give you the best possible consultancy service available.

#### Initial Site Visit:

This is to assess your initial requirement and identify any areas of concern

#### Annual Site Visits:

We don't just manufacture DGSA reports. We make a visit to your site, at least, once a year in order to actually see your operation, premises and vehicles.

#### Annual Report

Our annual report is quite comprehensive and well presented. It will comply and exceed the requirements of ADR.

#### Management of Dangerous Goods Training

Our DGSA consultancy clients are offered a free of charge management of dangerous goods training course. This assists managers / supervisors to be complaint with the requirements.

The cost of this service is based on the requirement of your operation. We are confident that we can provide you with the highest possible quality service at the right price.
